DIVISION OF MUNICIPAL ACCOUNTING

Proof of the Treasurer's balance as of December 31, 1944, is shown in Exhibit III.

Statistical Tables:

The third section of the report is comprised of statistical tables covering a ten year period from 1935 to 1944, and a statement of bonded indebtedness (showing annual maturities) as of December 31, 1944. The ten year comparative tables are as follows:

- A—Balance Sheets
- B—Tax Apportionment
- C—Receipts and Expenditures

ACCOUNTS OF COMMISSIONERS AND TREASURER

All orders issued by the Commissioners and Clerk of the Superior Court during the period under review were examined and compared with corresponding entries in the Treasurer's records. Supporting invoices and payrolls were also examined and the classification of expenditures was noted.

CLERK OF THE SUPERIOR COURT

The financial accounts and records of the Clerk of Court of Merrimack County were examined. Court receipts were checked by source, insofar as possible, and found to be properly recorded. Court orders issued by the Clerk were supported by invoices, vouchers and payrolls bearing the approval of a Superior Court Justice.

COUNTY FARM

The total amount of cash receipts at the County Farm, as indicated by the Superintendent's records, was compared with the deposits made at the bank to the credit of the County Treasurer and found to be in agreement therewith.

The book in which the county farm receipts and expenditures are recorded has been kept in the Superintendent's Office. Bills as approved by the Superintendent have been entered in this book and then sent to the Commissioners' office for payment. Inasmuch as the actual payments made by the Commissioners sometimes differ in amount from the original bills, because of discounts and other credit deductions, the total county farm expenditures as indicated by the Treasurer's record is not in agreement with the amount reported by the Superintendent.

In order to correct this procedure and at the same time provide a method whereby the receipts and expenditures might be classified and summarized in accordance with the uniform classifications of accounts adopted by all counties in the state, it was recommended that the county farm re-

ceipts and payments book be kept in the County Commissioners' office.

All bills and payrolls of the county farm should be approved by the Superintendent and sent to the Commissioners for payment as is now the practice. In addition to the approval, however, it will be necessary for the Superintendent to indicate the proper account to be charged. The Superintendent, therefore, should be provided with a rubber stamp which would supply the following information:

1. Extensions Verified
2. Approved by
3. Charge to Account
4. Bid or Waiver No.
5. Paid by County Order No.

Each invoice should be stamped by the Superintendent and after it has been approved by him and the proper classification noted thereon, it should be sent to the Commissioners for payment and recording.

Monthly totals of receipts and expenditures may be transferred from the farm classification book to the book in which all County receipts and expenditures are recorded. Inasmuch as each order issued in payment of a county farm account will be entered separately in the county farm book by number, name of payee and amount, it will not be necessary to duplicate this information in detail in the general account book of the County. This also applies to county farm receipts as each item should be entered in the county farm book indicating the name of the remitter and the source of the receipt.

The use of triplicate receipt forms to be issued by the Superintendent for money received from the various sources was also recommended. The original copy of the receipt should be given to the party making the remittance, the duplicate sent to the county office when funds are deposited in the bank and the triplicate retained by the Superintendent for his records. The duplicate copies sent to the county of-

fice provide the necessary information for the entry of each individual receipt in the county farm book. Receipts should be serially numbered.

GENERAL COMMENTS

The accounts and records of all county officials which were examined were found in good condition and the accounting procedure, with exceptions as noted, conformed to the standard procedure prescribed by this Division.

In conformance with Section 31, Chapter 211, of the Laws of 1939, a copy of this report or a summary of its essential features should be published in the next annual report of the County. This letter of transmittal should be included in its entirety. The publication of schedules is optional.

The appreciation and thanks of the members of this Division is hereby expressed to the officials of Merrimack County and the office staff for the assistance rendered during the course of the audit.

Yours very truly,

HAROLD G. FOWLER

REPORT OF COUNTY COMMISSIONERS

To the Citizens of Merrimack County:

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the Commissioners, Treasurer, Solicitor, Sheriff, Clerk of the Court, Auditors, Superintendent of County Farm and House of Correction, Farm Physician, and Chaplain for the year ending December 31, 1945.

IN MEMORIAM

In the year 1945 Merrimack County has sustained two great losses.

By the passing of Mr. George A. Hill, County Commissioner, on June 3, 1945, we lost a good friend and fine worker, loved and respected by all who had contact with him.

On November 25, 1945, Mr. Joseph M. Lorden, Superintendent of the County Farm, suddenly passed away. He gave of his time and life generously and without stint for nearly thirty years and set an example and goal for all County Farm Superintendents. It was through his untiring efforts that our County Home grew to be one of the finest institutions in the State and all who worked with him miss him sorely.

We wish to offer our heartfelt sympathy to the bereaved families and friends of these two outstanding Merrimack County Administrators.

COUNTY FARM

As was proposed last year, the Frozen Food Locker has been installed and the front porch rebuilt as far as material permitted. In regard to the painting, neither labor nor material was available so this part of our proposal was not accomplished. However the necessary repairs to the sills and

KIMBALL STUDIO

THE LATE GEORGE A. HILL

entrance to the barn were made, assuring better access to the valuable dairy herd in case of fire.

ELECTRICITY

Your Commissioners believe, now that the war is over, that it would be advantageous to the County to install its own electric plant at the farm, and we invite criticism and advice from our Citizens.

AUDIT

In accordance with the provisions of Chapter 82, Section 27 of the Revised Laws, the biennial audit and examination of the accounts of the County has been made by the Division of Municipal Accounting of the State Tax Commission at a cost of \$158.90 to the County. Inasmuch as the County Commissioners' and Treasurer's books are audited annually by a certified public accountant at a cost of \$100.00 it would seem to your Commissioners that this is an unnecessary expenditure and we would recommend that steps be taken to adjust this duplication.

WELFARE AND RELIEF

The following figures show a decline in County Relief but we anticipate that it is at its lowest ebb, and we believe that great vigilance will be necessary to keep it within bounds.

BOARDED CHILDREN

This past year Merrimack County received \$6,529.05 for boarded children as compared to \$6,215.09 in 1944 and \$4,593.01 in 1943. We believe that this has reached its high mark as a great many parents have been released from the Armed Services and others have given up high salaried war jobs, making it increasingly difficult to collect board for their children.

APPRECIATION

The Commissioners wish to express their appreciation to Mrs. Belle M. Lorden and all who have helped her to carry on the work of the County Home pending the appointment of a new superintendent.

We also appreciate the cooperation of the County Delegation and the never-ending Christmas spirit of the Concord Federated Business and Professional Women's Club. The inmates of the County Home look forward each year to an interview with Santa (Harold Cheney) and to the fine program and gifts sponsored by this Club under the guidance of Miss Bessie Gray.

Respectfully submitted,

G. CARROLL CILLEY,
GEORGE W. PHILBRICK,
GEORGE A. WOOSTER,
Commissioners of Merrimack County.

Respectfully submitted,

ALFRED S. CLOUES,
County Treasurer.

We have examined the foregoing account of Alfred S. Cloues, Treasurer of Merrimack County, and find the same correctly cast and properly vouched.

G. CARROLL CILLEY,
GEORGE W. PHILBRICK,
GEORGE A. WOOSTER,
Commissioners of Merrimack County.

STATE OF NEW HAMPSHIRE
MERRIMACK COUNTY

We have made an examination of the books of the County Commissioners and Treasurer for the year ending December 31, 1945. We have inspected all vouchers, and believe that all disbursements were proper charges to the County.

The cash balance on hand at the close of the year as shown by the Treasurer's books was found to be in reconciliation with the bank statement, and the County Commissioners have furnished us with a sworn statement showing that as of December 31, 1945 there were outstanding bonds of the County amounting to \$42,000.00, and no outstanding notes.

HAROLD CHENEY,
P. F. MAHER,
Auditors of Merrimack County.

In closing our twenty-eighth report, I wish to extend my sincere appreciation to the County Commissioners for their cooperation and council in all administrative matters.

Also, I wish to take this opportunity to express my gratitude to our County Physician, Chaplains and Friends who have contributed to the comfort and happiness of our large family.

As in the past nine years, the Concord Federated Business and Professional Woman's Club sponsored our Christmas

party and entertainment for everyone here at the Home. I am deeply indebted to the Club, through Miss Bessie Gray, chairman, for the gifts, fruit, and wonderful entertainment.

To the Officers of the Farm, I am very grateful for their cooperation and faithfulness in these trying times.

Respectfully submitted,

BELLE E. LORDEN,
Superintendent.

REPORT OF THE PHYSICIAN

To the Honorable Board of Commissioners of Merrimack County:

I submit the following report :

The year of 1945 has come to a satisfactory conclusion, in addition to the fact that the demand for medical personnel still persists in civilian practice.

The laboratory department has gradually been made more use of, and has proved to be a great asset in diagnosis.

This year the institution has experienced no epidemics.

The nursing staff has carried on its arduous duties, in spite of the demand for nursing personnel in the armed services as well as in civilian hospitals.

In the last month of the year, the institution lost its faithful and devoted superintendent, Mr. Joseph M. Lorden, who had served for almost thirty years.

The excellent cooperation of the late superintendent, the matron, nursing staff, and the Board of County Commissioners has contributed to a progressive hospital service.

F. J. McQUADE, M. D.

REPORT OF THE CHAPLAIN

To the Commissioners of Merrimack County:

Regular services of worship have been conducted throughout the past year with the exception of July and August.

Catholic services have been held once a month under the leadership of Father Brodeur from Franklin. The Franklin W.C.T.U. with Rev. Alexander, as leader, conducted services every fourth Sunday during the first half of the year. I have been responsible for services every first and third Sunday.

On December 20th the Concord Federated Business and Professional Women's Club, under the able direction of Miss Bessie Gray, was responsible for the annual Christmas Party. Great joy was given to all; carols were gaily sung for those unable to attend the fine program and Christmas tree. Harold Cheney, as Santa Claus, brought happiness with the beautifully prepared baskets of fruits and later as he distributed gifts and ice cream to all attending the program. Certainly no one had a finer Christmas than these people at the County Farm. We all owe to Mrs. Lorden our heartfelt thanks for her courageous spirit in carrying on this program, as she knew Mr. Lorden would want it.

It is hoped that all these ministries may continue to bring hope and peace to everyone at the home throughout the coming year.

Respectfully submitted,

REV. ROGER P. HORTON,
Chaplain.

REPORT OF COUNTY SOLICITOR

To the Commissioners of Merrimack County:

I submit herewith my report as County Solicitor covering the period from January 1, 1945, to December 31, 1945, inclusive.

At the April term, the indictments and disposition thereof were as follows: *Charles Bryant*, larceny, one year and one day in State Prison; *George D. Goodrich*, bigamy, continued for sentence, probation for one year; *Robert H. Bean*, breaking, entering and larceny, continued for sentence and probation for one year; *Charles H. Bean*, breaking, entering and larceny, continued for sentence, probation for one year; *Ralph K. Mussey*, morals charge, five to seven years in State Prison; *Amos LeClair*, morals charge, continued for sentence; *Howard L. Phillips*, larceny, continued for sentence and released to Vermont authorities; *Mary A. Phelps*, larceny, continued for sentence, probation for three years; *Bernard C. Martin McDonald was fined for operating gambling machines, was convicted, and fined one hundred dollars (\$100.00) and costs of fifty dollars (\$50.00) and sentenced to serve thirty days in the House of Correction, House of Correction sentence suspended.

At the October term, the indictments and disposition thereof were as follows: *Roland C. Warnock*, leaving the scene of an accident knowing personal injury had been done, six months in House of Correction, suspended, probation for one year, and fine of three hundred dollars (\$300.00)

and costs of fifteen dollars (\$15.00); *Clifford Price*, leaving the scene of an accident, continued for sentence; *William M. Lindsey*, leaving scene of an accident, one to three years in State Prison; *Edna L. Frost* and *Leo W. Voudrien*, adultery, fines of fifty dollars (\$50.00) each, suspended; *Victor Johnson* and *Frederick J. Oliver*, escaping from State Prison, one to three years each in State Prison; *Louis P. Quatro* and *James F. McWalters*, breaking, entering and larceny, five to seven years each in State Prison; *Chester N. Orzolak*, larceny, one year in House of Correction, suspended upon payment of costs of fifteen dollars (\$15.00); *Sylvester T. Dunn*, breaking, entering and larceny, one year in House of Correction, suspended upon payment of costs of fifteen dollars (\$15.00); *Sylvio Laferte* and *Henry L. Coombs*, morals charge, each, five to seven years in State Prison; *Vital S. Houle* and *Germaine Vaillancourt*, adultery, each, three months in House of Correction, suspended upon payment of fine and costs of sixty dollars (\$60.00); *Eugene H. Wager*, *Evelyn Wessman*, and *Charles Wessman*, breaking, entering and larceny, continued for sentence, probation for three years; *Richard L. Reitenbaugh*, embezzlement, continued for sentence, probation for two years.

Cyril J. Fretwell appealed from the finding of guilty on a charge of driving under the influence, was tried by a jury, and acquitted.

Clarence R. Derosier was found guilty of leaving the scene of an accident, as a principal in the second degree, and appealed to the Supreme Court on questions of law.

The Legislature of 1945 passed an act which permits a person charged with the commission of a felony to waive indictment by the grand jury and have his case disposed of forthwith. A few cases have been disposed of under this law. As this procedure becomes more widely known and better understood, it should reduce considerably the work of the grand jury and result in some saving of expense to the county.

There have been the usual number of complaints for the commission of offenses within the jurisdiction of the municipal courts, and as County Solicitor I have prosecuted them or co-operated in their prosecution with the local police as well as the State Police.

I wish to thank publicly the State, County and local police officials for their excellent co-operation.

Respectfully submitted,

WILLOUGHBY A. COLBY.

The above statements include all expenditures of County Extension Service work except in salary items and \$398.30 which was paid towards the expenses of the Assistant Club Agent. State and Federal funds allotted to Merrimack County by the Director of the New Hampshire Extension Service were paid in the form of salary checks to the agents from the University of New Hampshire and the addition of expense item noted above.

The increase in this year's balance was due to the fact that we were without a Home Demonstration Agent for three months, and without the services of a Club Agent for 1½ months and an Ass't. Club Agent for two months.

Respectfully submitted,

County Agricultural Agent.
